Summary

Graphic & Brand Designer with 3+ years of professional experience in brand identity systems, campaign concept development and art direction, and print production for entertainment and consumer brands. Winner of two international design awards (Red Dot Design Award 2026, iF Design Award 2024).

Work Experience

Freelance Senior Designer
OMSE, London, United Kingdom | Aug 2026

Designed logo and graphic system proposals for a client rebrand at OMSE, a branding and graphic design studio.

- Pitched 3 new concept directions with brand keywords aligned with the brief; 1 was selected internally to present to the client alongside the studio's existing concept.
- Conceptualised logo and graphic system options for a London-based client's rebrand, working closely with the creative director and fellow designers.
- Expanded the graphic system into 10+ mock-ups across physical spaces, print and digital channels, going beyond the core logo.

Creative Graphic Designer
SM Entertainment, Seoul, South Korea | Oct 2023 – Jan 2026

Spearheaded album campaign concepts and visuals, from planning to print, at SM Entertainment, one of Korea's four major global entertainment companies.

- Led concept development and photo direction for 7+ album releases, from initial planning through to launch, and directed on-set shoots and set management.
- Delivered campaigns with results including 1M+ first-week sales, Platinum certification (250K+ copies) and #8 on the Billboard Global 200; coordinated and reviewed a limited-edition capsule collection with Berlin-based fashion label 032c that sold out.
- Drove the visual output of each release: designed album logos and graphics, proposed album formats and promotion plans, and produced photobooks and packaging.
- Presented concepts and designs to the head director at key stages of each campaign, securing approval to move into production.
- Managed production schedules and communication with print shops, factories and external partners, from proof to final production.

Junior Brand Designer
Brenden, Seoul, South Korea | Mar 2023 – Oct 2023

Developed brand identities and guidelines at Brenden, an award-winning (iF, Red Dot) Seoul branding agency specialising in brand identity.

- Defined the brand symbol, concepts and final guidelines for Sockpiens' rebrand from sock brand to everyday basics apparel brand, supporting 35–40% revenue growth (~£8M to ~£11M) and expansion into Japan and Taiwan; iF Design Award 2024 winner.
- Shaped the visual identity and brand system for Onstage, a music curation project for Naver, Korea's largest search portal, reaching 330M+ cumulative views and 650K subscribers by 2023.
- Devised and prototyped new packaging system proposals for Coway, a major Korean home appliance brand, testing them with full-size prints.

Brand Design Intern
Danggeun (Karrot), Seoul, South Korea | Jun 2021 – Dec 2021

Created key visuals, motion graphics and campaign assets at Danggeun, Korea's largest hyperlocal community and second-hand marketplace app (20M+ MAU).

- Executed key visuals and multi-platform promotional assets for an eco-friendly map campaign, generating 5,165 comments and 3,816 unique store registrations upon launch.

Global Marketing Design Intern
Danggeun (Karrot), Seoul, South Korea | Dec 2020 – Mar 2021

- Crafted motion graphics and social media visuals for Karrot's UK market entry YouTube campaign (Google App campaigns for engagement), driving user re-engagement and in-app conversions.

Brand Design Intern
motemote, Seoul, South Korea | Jul 2020 – Dec 2020

Developed key visuals and collaborative products at motemote, a Korean study-planner and stationery brand popular with Gen Z students.

- Owned key visual and planner design from concept through to on-site press checks for a Shoopen (Korean footwear brand) x Disney limited edition package, which sold out.
- Conceived and produced a collaborative goods line for Naver Webtoon "Romance 101" x Tumblbug (Korean crowdfunding platform), achieving a 2,432% funding rate (~£130K).
